

The 32nd Annual Network and Distributed System Security Symposium

The NDSS Symposium is the second-ranked global cyber security conference. It fosters information exchange among researchers and practitioners of computer, network, and distributed system security. NDSS makes leading-edge research globally available, to advance the state of practical security technologies. NDSS proceedings are freely published to encourage adoption and deployment by the whole Internet community.

What to Expect

- Three days of NDSS Symposium and two days of co-located workshops
- Events totaling over 250 peer-reviewed papers
- Invited speakers who are leaders in the field of systems security
- Sponsor exhibition
- Poster sessions
- Networking breaks, lunches, and socials

Attendees

Attendees include those interested in the practical aspects of network and distributed system security, with a focus on actual system design and implementation from around the world:

- University researchers, educators, and students
- Chief Technology and Privacy Officers
- Security Analysts and System Administrator
- Operations and Security Managers

Sponsorship Opportunities

Sponsors of the NDSS Symposium will receive:

- Visibility and recognition among leading security researchers and practitioners
- Opportunity to demonstrate your organization's support for emerging research and the next generation of leaders in the security field
- Access to the future leaders of network and distributed system security

Co-Located Event Sponsorship and Tailored Packages

Every year, several related workshops and symposia take place alongside the NDSS Symposium. Each event develops its own program focused on a specific field of network and distributed system security.

Tailored sponsorship packages are available to sponsor co-located events as well as the NDSS Symposium. For more information about these packages, or to discuss sponsorship in general, please contact Sally Harvey, Director, Sponsorship and Partnership Development, Internet Society at ndss-sponsor@elists.isoc.org
